Good Morning:

I would like my position noted in your request as follows:

Plaintiff's position is that there is enough evidence in the record to deny the motion and the expense of an evidentiary hearing is unnecessary.

Hi Jennifer,

We are going to file a motion to request an evidentiary hearing on our pending motions to dismiss for lack of personal jurisdiction in *Codrington* and *Alexander*. Pursuant to the local rules, I'm writing to see if you oppose the request. Again, we are filing a motion to request that the Court hold an evidentiary hearing over our pending motions to dismiss once they have been fully briefed. Please let me know your positions.

Thanks,

Robb
